Re: Letter of Recommendation

This letter shall serve as our sincere and confident recommendation for the construction and management ability of David Brooks and his staff at David Brooks Enterprises. Our firm has worked very closely with David Brooks Enterprises for the last two years in construction of the St. Lucie County Clerk of the Court 57,000 sq. ft. facility. We are continuing our working relationship on the next phase of the adjacent Judicial Complex scheduled for completion in the fall of 2008.

In every aspect of the project designs, some of which were extraordinary, David Brooks Enterprises has demonstrated a thorough knowledge of construction materials and methods, interpretation of documents, excellent communication, organization in construction administration, and a cooperative spirit that epitomizes their professionalism.

Our firm looks forward to a continued working relationship with David Brooks Enterprises and, without hesitation, would recommend them to other public entities in pursuit of a quality construction firm.

Respectfully Submitted,

Paul U. Dritenbas, Architect, A.I.A. LEED® A.P.
