To Whom It May Concern:

It is my pleasure to write this letter of recommendation for David Brooks Enterprises. Okeechobee County Schools has worked with David Brooks on several school projects including: Freshman Campus Renovation, (New) South Elementary School, Yearling Middle School Cafeteria/Kitchen Renovation, Yearling Middle Restroom Door Replacement, Central Elementary Bus Circle and Security Walls, Central Elementary Classroom Door Replacement, and Okeechobee High School Building #8 Renovation.

All of these projects were completed on time and on budget with a minimum of change orders. David Brooks was always willing to entertain any value engineering and direct owner purchase for project cost savings.

I would highly recommend David Brooks Enterprises for any construction project you may be planning. If you would like further information about any of the projects listed above or David Brooks Enterprises performance during these projects, please feel free to contact me using the letterhead numbers. To actually see pictures of the Freshman Campus and South Elementary School go to [www.okee.k12.fl.us](http://www.okee.k12.fl.us).

Sincerely,

A handwritten signature in cursive script that reads "Dale Barrett".

Director of Operations  
Okeechobee County Schools
