To Whom It May Concern:

Reference: David Brooks Enterprises

It is with great pleasure that I recommend to you David Brooks Enterprises.

We have worked with David Brooks on several construction projects in south Florida.

David and his staff are high energy, pro-active hard working individuals capable of producing quality work under extreme pressure.

Any organization looking for responsible, conscientious professionals will be more than impressed with their skills and abilities.

I highly recommend David Brooks Enterprises without reservation and would be glad to provide additional information if required. You may contact me at (561) 904-7524.

Very truly yours,
